

CHAMBER OF COMMERCE

2024 ANNUAL SPONSORSHIP

Elevate your support beyond membership!

Annual Sponsorship shows your commitment to and support of the Falls Chamber of Commerce above membership dues. In exchange for your generous financial support, your business/organization receives special promotional opportunities and complimentary tickets to events.

As we continue to build relationships within the business community and grow our membership base, we rely on generous Annual Sponsorship funds to cover operating expenses, expand our reach, and implement new programs. *Thank you for your generous support!*

*Additional sponsorship opportunities for Falls Chamber Signature Events (Falls Celebration, Falls Sampler) may be offered. Businesses and organizations who sign up to be Annual Sponsors are offered first choice of sponsorships for these events, but are in no way required to participate in these additional opportunities.
